INSURANCE.

Circular No. 35.

To—All District Magistrates, the Special Magistrate, Kolar Gold Fields, and the City Magistrates of Bangalore and Mysore.

That as the official designation "Magistrate" is often omitted to be added to the signature of Magistrates and their seals seldom affixed in attesting copies of a horoscope or other document produced by proposers for life insurance, the Secretary to the State Life Insurance Committee requests that, in future, whenever such copies are presented for attestation, the Magistrates will be so good as to state invariably that it is a "true copy of the original" under his seal and signature with the designation "Magistrate" added.

The District Magistrates are requested to be so good as to issue needful instructions to all their subordinate Magistrates.

E. R. SUBROYER, *Secretary, Insurance Committee.*

KOLAR DIVISION.

The 27th January 1902.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Kolar Division, up to 20th February 1902 for constructing tunnels on Chintamani-Chelur road. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1904.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's office at Kolar between the hours of 11 A. M. and 5 P. M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of rupees 100, in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for Constructing Tunnels on Chintamani-Chelur road", in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
